	Listening and Communication Skills	4
	Promoting Respect and Developing Solidarity	8
	Craft Familiarization (1)	4
	Elective Hours	12

****OSHA 500/502 must be current to graduate**

**** Note to Instructors:** You are exempt from the basic familiarization courses for your primary craft. From time to time we add new courses, based on the needs of the industry and advances in technology. For the purposes of earning certification, however, you are bound by the course requirements in effect the year in which you entered the Instructor Certification Program.
